Commissioner for Patents

The prior art cited on the Information Disclosure Statement (IDS) filed August 15, 2005 has NOT been considered because the IDS did not include a statement as required under 37 CFR 1.97(e). While Applicant states that the documents disclosed were cited in a communication from a foreign patent office, said communication appears to be dated February 1, 2002, i.e. more than three months prior to the filing of the IDS.
